

HP Matte Monomeric Overlamine

Short-term, economical UV monomeric matte overlaminate

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

A protective overlaminate with added UV and graphic protection

Economical matte UV overlaminate

Partner HP Matte Monomeric Overlamine with HP Vital adhesive vinyls or other printed graphics for added protection of indoor and outdoor digital print applications. HP Matte Monomeric Overlamine is designed to enhance the print image quality and protect the print from wear and tear.

Differentiate with environmental certifications

Offer a vinyl that complies with high health standards. HP Matte Monomeric Overlamine is REACH compliant¹—a regulation of the European Union adopted to improve the protection of human health and the environment.

Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time. Prints produced with HP Latex Inks also provide a better approach with end-to-end environmental sustainability.²
